SUMMARY

Delved into coding and found my passion in web development, immersing myself in creating stunning websites. I approach challenges with quiet confidence, a natural curiosity, and a commitment to refining my skills.

SKILLS

HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap, jQuery, Git, Wordpress, Wix, Shopify, Figma, XD, MySQL, Problem Solving and Team Player

WORK EXPERIENCE

Senior Web Developer , Azadi Records   Nov 2023 - Present

- Led the end-to-end development of 5+ artist related websites from concept to deployment using WordPress. Collaborated closely with the company's team to understand their branding, target audience, and unique requirements.
- Managed dynamic content updates, including artist profiles, event calendars, and promotional materials.
- Enhanced the websites by integrating e-commerce features. Ensured a smooth user experience for purchasing artist merchandise, event tickets, and exclusive content by integrating Shiprocket for efficient order fulfillment and Razorpay for secure payment processing.

Web Developer , Mumtree   Jul 2023 - Mar 2024

- Collaborated with the team to design and develop a fully functional e-commerce website for a wooden kids' toy store using Shopify.
- Leveraged HTML and CSS to create visually appealing and intuitive layouts ensuring it aligned with the brand's playful and child-friendly aesthetic.
- Implemented essential features such as product listings, shopping cart functionality, and secure payment gateways.

Web Developer , Film Slate   May 2023 - Jul 2023

- Developed a professional website for a video production company using WordPress. Collaborated with the team to understand their requirements, created wireframes, and implemented a responsive design.
- Leveraged WordPress themes and plugins to enhance functionality and user experience.

PROJECT

Weather App (React.js)

- Created a real-time responsive Weather App using React and Bootstrap. And, Integrated the OpenWeatherMap API to fetch live weather data for user-specified locations.
- Prioritized user experience by ensuring the app works seamlessly on various devices. Utilising Bootstrap styling to achieve a modern and visually appealing design.

Portfolio Website

- Designed and implemented a responsive portfolio website using HTML, CSS, and JavaScript.
- Showcased qualifications, work experience, and project samples in an organized and visually appealing manner.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science and Engineering (CSE)   **Aug 2021 - Present**
Lovely Professional University

Diploma in Computer Science and Engineering (CSE)   **Aug 2018 - May 2021**
Lovely Professional University
